Stay at the Dan Panorama and you're ideally located for a bridge holiday that blends a sun and fun lifestyle with Eilat's unique natural attractions. The hotel is located by the quiet waters of Eilat's lagoon. It's a mere five minute walk to the beautiful, relaxing north beach where you can perfect your sun tan and swim in the clear cool Red Sea. Eilat is Israel's southernmost town. The resort's long sandy beaches are in complete contrast to the surrounding desert with its wildlife. Late March temperatures range from the upper 70's to mid 80's.

Start every day with an amazing fresh Breakfast Buffet in The Dolphin Hall dining room. Enjoy a choice selection - tables laden with fresh fruits and vegetables, a large variety of cheeses, sweet and savory dishes prepared fresh every morning, a varied assortment of home baked breads, rolls and croissants, pancakes, and choice of eggs prepared to order on the spot by their chefs. In the evening, enjoy a lavish dinner buffet highlighted by international cuisine, an endless selection of salads, soup, appetizers, a variety of main dishes, vegetables and desserts.

The Lounge overlooking the Marina offers hot and cold beverages, drinks, snacks, home-made pastries and cream cakes, milkshakes, fruit shakes, and light dairy meals throughout the day until the early hours of the morning. There is also a Swimming Pool, snack bar and Espresso Bar - the only place where smoking is permitted. Guests are entitled to 10% discount from some restaurants on the Dan Eilat Promenade. The fresh water swimming pool is heated during the winter. There is a Gym, Sauna, Jacuzzi, to name just a few activities.

This hotel has just about every facility possible. All bedrooms are luxury with en-suite facilities. There are three lifts. If you have Internet access, please go to www.danhotels.com/danSite/hotelBrochures/eng/PE.pdf for comprehensive details.
